

## 8-Way Splitter / Combiner

---

Features: \_\_\_\_\_

- PCB printed circuit board design
- Nickle plated housing
- IR passing all ports
- DC voltage passing all ports
- 1 GHz bandwidth
- Low insertion loss

Technical Specifications: \_\_\_\_\_

Bandwidth .....	5-1000 Mhz
Insertion Loss .....	11 dB max.
Isolation .....	20 dB min.
Return Loss .....	20 dB
Impedance .....	75 ohm
Passes .....	DC Pass All
